### Article 1 – USE OF THE ARTICLE

- For paid carriage of passengers and in races.
- To push or tow any vehicle or trailer.
- By anyone under the influence of alcohol or drugs.
- For illegal purposes or carriage of goods.
- While overloaded: for example carrying more passengers than permitted by the registration papers.
- In addition, the vehicle may be driven only by persons designated below subject to Owner's prior authorization and provided that such person be at least 21 years old and have held a valid driving license for at least 3 years.

Any infraction of any of these undertakings empowers the Owner to demand return of the vehicle forthwith.

### Article 2 – CONDITIONS OF THE VEHICLE

The Hirer acknowledges receipt of said vehicle in proper operating condition and clean.

The five tyres are in good condition, without punctures. In event of damage to any of them by any cause other than normal wear, the Hirer agrees to replace the same forthwith at his expense with a tyre of the same dimensions.

The Hirer is also personally responsible to cover any damage caused to the windscreen of the vehicle or to the oil sump.

The Hirer is not responsible for any damages caused to the above, only if he has waived the damages by paying the extra charge stated in the applicable rate list.

### Article 3 – RENTAL – PREPAYMENT – EXTENTION

The Hirer agrees to return the vehicle to the rental agent on the date specified in the rental agreement. Return of the vehicle by the Hirer to the rental agent at the designated location alone terminates the contract.

In case the Hirer returns the vehicle to the owner or agent before the agreed period the Hirer shall not be entitled to any refund of the agreed rental charges. Any outstanding balance remains payable by the Hirer. The owner may credit the Hirer with the pro-rata sum for a future rental agreement.

- If the Hirer did not pay with this agreement for Collision Damage Waiver he is responsible for the market value/cost of replacement of the said vehicle.
